Forecast for Monday 02 Aug 2021

Weather: The majority will stay dry on a rather cloudy start to the week, with the best of the limited brighter spells expected across southern peaks such as Ben Alder during the afternoon. Some risk of the odd light afternoon shower developing.

Chance of cloud free mountain/hill tops above 800m: 75%

Visibility: Generally very good, but very poor in cloud with bases lowering 600-900m at times, chiefly during the morning and across the north and east.
